THE WINE CELLARS

A tour of the Tenuta Degli Dei takes you deep into the Tuscan countryside, where history and nature blend seamlessly together, and you can breathe the authentic passion for excellent wine and beautiful things. A journey of unique experiences to be enjoyed moment by moment and to be carried with you forever.

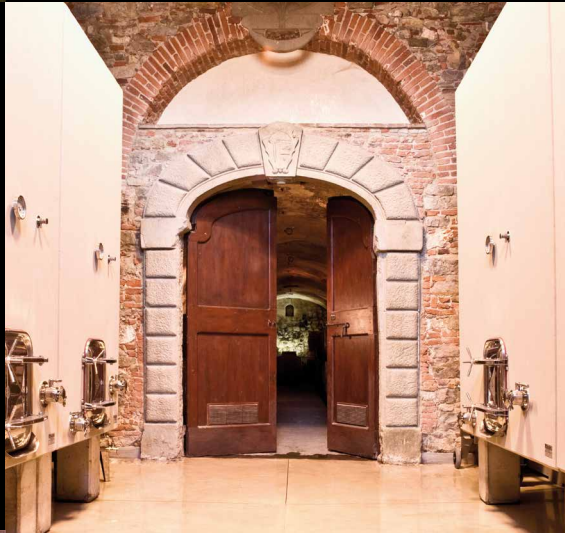

THE CHURCH

Our journey starts from afar, with the visit to the Parish Church of San Leolino, mentioned since 982 AD. and perhaps even older.

THE FERMENTATION ROOM

Here, under the corbelled ceiling and exposed beams typical of country houses in Chianti, are the vats inside which the fermentation of our wines takes place.

THE BARREL ROOM

In this cool and quiet place, under magnificent vaulted ceilings, lie the French oak barrels in which the wine slowly ages until it reaches perfection.

THE VINEYARDS

We can admire all around us the vineyards of the estate. A breathtaking panorama created by the age-old work of man in total harmony with nature.

WINE TASTING

Once at the winery, we can enjoy the pleasure of tasting our wines, a journey through different labels and vintages, expressions of our way of being and of interpreting the unique flavors of our grapes.

THE STABLES

At the end of the visit, we offer the possibility to reach the stables. A special corner of our estate where we take care of our horses with love.

TENUTA DEGLI DEI IS LOCATED NEXT TO THE ANCIENT PARISH CHURCH OF SAN LEOLINO NEAR PANZANO IN CHIANTI, ONE OF THE MOST BEAUTIFUL VILLAGES IN THE TUSCAN COUNTRYSIDE, EASILY REACHABLE BOTH FROM FLORENCE AND SIENA.
